CURRICULUM VITAE · Video Editor & Filmmaker · Lalitpur, Nepal

Available for work

Arpan *Wasti.*

Video editor and filmmaker based in Lalitpur, Nepal. I shoot and cut for studios, agencies and my own company, shaping pace, color, sound and motion graphics until a piece feels inevitable.

Experience

Where I've *worked*

5 roles

Video Editor
Oct 2025 – Present

RestoRefine Studios · Full-time · Remote, Glasgow, Scotland

Editing client ads and short-form content from raw footage to final delivery.

- Dialogue-led ads and reels: take selection, pacing, color, sound and captions
- Vertical-first delivery for social platforms

Cinematographer
Previously

Asteroids Studio

Behind the camera on studio productions: framing, lighting and movement.

- Shot with the edit in mind, so footage cuts together cleanly

Creative Head
Jul 2025 – Dec 2025

Creatix & Co Pvt. Ltd. · Full-time · On-site, Lalitpur

Led the company's content, from concept through shoot to final cut.

- Set the creative direction and look of the brand's content
- Handled production end to end: planning, shooting and editing

Cinematographer & Video Editor
Previously

Advibe 360 · Danphlink Technology

Shot and edited brand and promotional content across both companies.

- Owned projects from camera to export
- Worked across ads, promos and social content

Videography Intern
Dec 2023 – Jan 2024

Gadgets In Nepal Pvt. Ltd. · Internship · On-site

Filmed product content for one of Nepal's most-watched tech channels.

- Shot smartphone and wearable shorts
- Learned fast-turnaround, hook-first short-form production
